What Does An Artist Manager Do and How To Get One

Best Artist Management Companies There are different types of artist manager companies. Some specialize in promoting solo artists, whether musicians or singers. Some specialize in promoting bands. Likewise, specializations vary as per the genres of music as well. Not every artist management agency is equally effective at promoting a pop star.

Best Artist Management Companies | MusicPromotionCorp

An artist manager's specific duties vary depending on the industry in question as well as the size and stage of their client's career, but often include some combination of those typically associated with an A&R representative, PR agent, business manager, or talent agent in addition to overseeing the artist or band directly and representing the artist's interests with employers.

Artist Manager | Berklee College of Music

An artist manager, also known as a "band manager," is in charge of the business side of being in a band.Often, band members are great at the creative side of things but aren't so great at promoting themselves, booking their own gigs, or negotiating deals.In a very general sense, the task of a manager is to take care of the day to day running of the band's career so that the band can focus on ...

What It Takes to Be a Band/Artist Manager

Some artists managers work independently and directly with their artists, others are part of larger management companies. There are pros and cons of both of these options. Independent managers are often more hands-on and personal while the larger companies (who often focus on "bigger artists") will usually have more resources and contacts at their disposal.
