Clear and Definite Words is a lucid exposure of the present confusion within theological discourse. It charges and proves that avoiding or equivocating on the question of ontology is impossible. It thus undermines the premise of much theological discourse today and lays the way for greater theological clarity and commitment.

As stated above, the advice in Clear and to the Point applies to more than just PowerPoint design — it applies to presentations as a whole. This broad context is established early in the book, and referenced throughout. The 8 principles are mapped to three primary goals of any presentation, even those which do not utilize PowerPoint at all.
