I bought this bike last summer w/o title and got stopped by a cop and he looked up the VIN # and told me it was a 1989 Suzuki RM250, but there is a different engine in it. the guy I bought the bike off of claimed it was a 1991. I've always bought 1991 parts for the engine and they fit but I ordered a clutch inner hub and it doesnt fit... my clutch inner hub is for a 1992+.
