Global Justice And Sustainable Development

In recognising the significant role international law can play in supporting the objectives of justice and sustainable development, Global Justice and Sustainable Development provides a wide-ranging analysis of some of the most fundamental challenges facing global society. In particular, the volume seeks to consider the synergies between sustainable development and global justice – two notions that are simultaneously hugely important and, in equal measure, enormously contentious within ...

Global Justice and Sustainable Development | brill

“The Sustainable Development Goals need to be setting the agenda, rather than catching up to the moment. What that requires is that we bridge the gap between social justice and the international development and humanitarian frameworks.”
