Welcome to the November issue of MadCap Insider. We're excited to announce the new release of MadCap Flare 2018 r2, which adds new features and an important security update for online outputs. The latest release adds source control enhancements for Git, including branch merging and revert commit support, jQuery 3.3.1 support, MadCap Central project support for SSH and HTTPS, and more.

MadCap Insider Archive: November 2018

"MadCap Flare occupies rarified territory near the top of the desktop publishing mountain. It's intended for those who need to author, edit, and produce very long and very complex documents: technical manuals, instruction books, help systems, and anything else in which structuring and organizing content is key."
