A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

Mc Ravenloft Appendix I II
They eventually discontinued the products but only after the first two appendices for the Ravenloft line were published. In fact they delayed publication of what became the third Ravenloft Monstrous Compendium Appendix to take advantage of the new format of softbound books as originally it was supposed to follow the first Appendix.
