### Rebel Fleet Series by B.V. Larson - goodreads.com

Rebel Fleet series reminds me of the golden era of science fiction, when humans stumbled our way into centuries-old galactic conflicts and re-wrote the book with a simple bluff. Capt. Leo Blake is an endearing hero - part James Bond, part James T Kirk, part slacker from Office Space...

### Rebel Fleet Series (4 book series) Kindle Edition

The enemy fleets are coming again. In response, the Rebel Worlds gather their starships to face the terrifying threat, and this time humanity is asked to stand with them. The last time they considered Earth, Vikings in longboats were raiding English coastlines. Today, we're less primitive.

### Rebel Fleet - Book Series In Order

The "Rebel Fleet" is classic B. V. Larson-somewhat potentially interesting storyline that is decimated by author's pretentious, overbearing, inept, cartoonish, and juvenile execution.

### Rebel Fleet (Rebel Fleet #1) by B.V. Larson

The rebels in Larson's universe are about as self-serving as you can get and they don't necessarily want to 'win' the war against the Imperials. Every species in the rebel fleet gets to higher positions based on points scored - these can be won by fighting other rebel species, in battle or in some other way.

### Rebel Fleet by B. V. Larson | Audiobook | Audible.com

There is plenty of twists in this latest book in the Rebel Fleet series that were a surprise and readers will learn a little bit more about the Nomads. Great characters, action and story-line make for an entertaining and fun read. Looking forward to reading more books set in the Rebel Fleet universe :) 2 people found this helpful

### Amazon.com: Customer reviews: Orion Fleet (Rebel Fleet Series)

Hey everyone, so, I'm working on my rebel fleet, and I am wondering what ships are considered good, and in what slots? For example, are Phoenix ships and Biggs and Wedge worth investment? I could be wrong, but the ideal rebel only lineup would be Falcon, Biggs, Bistan, with Cassian, Phantom, and whatever else off the bench (if you geared ...

### Rebel Fleet Lineup — Star Wars Galaxy of Heroes Forums

The Alliance Fleet, also known as the Rebel Alliance Navy, the Rebel Navy, the Alliance Navy, the Rebel Armada, the Rebel Alliance fleet, or simply the Rebel fleet, was the military naval force of the Alliance to Restore the Republic during the early rebellion against the Galactic Empire and the Galactic Civil War.

### Alliance Fleet | Wookieepedia | Fandom

Throughout the series, Ezra, Kanan, Hera, Zeb, Sabine and Chopper join forces with Phoenix Squadron and together, they work to widen the ranks of the Rebellion fleet. In multiple episodes, fans see the titular team of Rebels work to steal ships from the Empire's armada to add to their Rebellion, including the B-Wing spaceships.

### Star Wars: How Y-Wing Fighters Became Part of the Rebel Fleet

That Rebel Fleet. I'm really glad that even in this very consumable science fiction author doesn't stagnate and he is moving main story line forward in lighting speed. He is also developing motivation of main characters. So even if you can really turn of your brain to this books it still makes sense even if you start think about it more.

### Orion Fleet (Rebel Fleet #2) by B.V. Larson

This fleet is one of the most iconic scenes from Empire Strikes Back, and a lot of kids who saw it in theaters wanted to create their own in Lego. For many years this proved challenging; but now with a lot of time, artistic inspiration, and a lot of money, you too can create your own Lego Star Wars Fleet. Mortsev, the self-styled Admiral of the Rebel Fleet, has spent a good chunk of time recreating the fleet in Lego.
