With *The Perils of Global Legalism*, Eric A. Posner explains that such views demonstrate a dangerously naive tendency toward legalism—an idealistic belief that law can be effective even in the absence of legitimate institutions of governance. After tracing the historical roots of the concept, Posner carefully lays out the many illusions—such as universalism, sovereign equality, and the possibility of disinterested judgment by politically unaccountable officials—on which the legalistic ...

*The Perils of Global Legalism*. The first months of the Obama administration have led to expectations, both in the United States and abroad, that in the coming years America will increasingly promote the international rule of law—a position that many believe is both ethically necessary and in the nation's best interests. With *The Perils of Global Legalism*, Eric A. Posner explains that such views.

### **The Perils of Global Legalism | University of Chicago Press**

The danger of *The Perils of Global Legalism* is that its inaccurate pessimism about the possibility for cooperation, if it were influential, could delay our achievement of increased welfare. Ideas matter, and we cannot afford to foreclose the pragmatic functionalist middle ground between airy idealism and groundless pessimism. 9 1

### **The Perils of Global Legalism, Posner**

Posner sees global legalism as utopian -- built on unsustainable premises about human nature and the practicality of transferring domestic legal traditions to the international level.

### **The Perils of Global Legalism | Foreign Affairs**

Like ideological integrationists, global legalists believe that states are converging toward ideological agreement, but the ideological agreement is not so much about liberal democracy as about the value of legalism. Global legalists also emphasize institutions to a greater extent than ideological integrationists do.
