Why Startups Fail and How You Can Avoid Your Startup Failure

Hold on to your team even if your startup fails. If you can be around someone and openly say, “I screwed up,” and they still give you the chance to try it again, you’ve found the right team. If you have people giving you the chance to do the tasks that scare you, you found the right team.

Entrepreneurship Series: What Happens When Your Startup Fails?

The freshest of the failures on this list, Shyp, was founded to make shipping items globally as easy as “two taps on a smartphone.” Only a few months after launch, Shyp received coverage from the New York Times and heavy investor interest. It was clear the pain points they were tackling resonated with a large audience. Rapid growth bore them comparisons to Uber, and as CEO and founder ...
