"They Say / I Say" shows that writing well means mastering some key rhetorical moves, the most important of which involves summarizing what others have said ("they say") to set up one's own argument ("I say"). In addition to explaining the basic moves, this book provides writing templates that show students explicitly how to make these moves in their own writing.

what "they say" as soon as you can in your text, and remind readers of it at strategic points as your text unfolds. Though it's true that not all texts follow this practice, we think it's important for all writers to master it before they depart from it. This is not to say that you must start with a detailed list of
