more, all organized by topic. Scribd is one of the web's largest sources of published content, with literally millions of documents published every month.

### **Types Of Style Guides**

A style guide, or style manual, is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field. The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents. A set of standards for a specific organization is often known as "house style".
